

## **BSI CULTURE AND VALUES**

- **We Take The Priorities Of Our Customers As Our Own, And We Take The Quality Of Our Work Very Seriously.**
- **We Work Efficiently And Are Responsive To Questions Or Comments Coming From External Or Internal Sources.**
- **We Are Accountable For Our Decisions And Our Work Product.**
- **We Aim For Cost-Effectiveness And For Environmental Responsibility.**
- **We Show Respect And Support To Our BSI Colleagues And Customers.**
- **We Try To Go The ‘Extra Mile’ And We Show Appreciation To Those Who Do.**
- **We Put The Success And Recognition Of Our Customers, BSI, And Our Team Over Our Personal Recognition.**
- **We Think Of Others And Their Needs In Our Work, In Our Behavior, And In Our Attitude.**
- **We Are Quick To Give Credit To Others For Their Accomplishments And Slow To Take It For Ourselves.**
- **We Embrace Change And Innovation, And Are Willing To Learn, Listen And Participate In Creating Solutions.**

**WE SHOULD CULTIVATE AND CELEBRATE  
THESE VALUES WHENEVER POSSIBLE.**
